

INTERMISSIO - Autumn 2025

- “an intermission, a pause, a space in time”

Join us on zoom for an opportunity to pause together, to listen and to see in a deeper way. We will have the space to experience music, photographs and art, poetry and writings of wisdom, sharing periods of silence and words of reflection. We will then take time to briefly consider and discuss what we have found meaningful.

***Four sessions, each offered on both Wednesday and Thursday:
join in for either or both of them!***

All sessions are from 7-8 pm on zoom

Wednesdays:

October 22, 29, November 5, 12

Thursdays:

October 23, 30, November 6, 13

Led by Steve Geitgey

Cost: \$32
